ECHO

After many late nights, hardships, deadlines, and disagreements, the 1980 yearbook staff presents to you, Echo '80. It isn't at all as disasterous as it sounds; working on the yearbook was a very enjoyable and rewarding experience. This year's staff was primarily made up of rookies, nonetheless we feel we have presented to you, the students and faculty of Rye Country Day School, the best moments of the 1979-80 school year. We thank all of the people who helped us; your time and talent was greatly appreciated. We hope you enjoy the book.

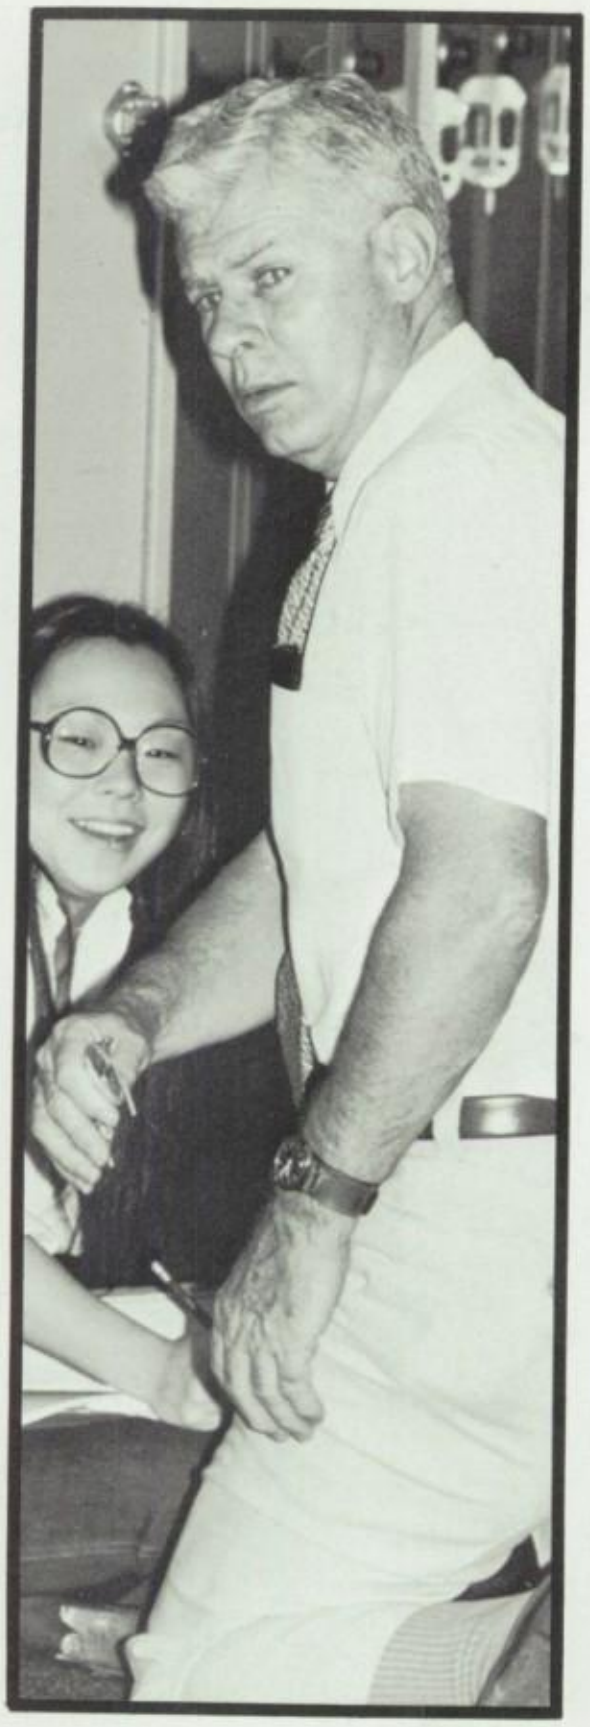
DETERMINED TOGETHER
GATHER UP YOUR CONFIDENCE AND NEVER EVER
DOUBT THAT YOU CAN'T DO ANYTHING;
JUST TRY
TOGETHER YOU, YOU AND I.



Now let me think on this,
Just a minute or two.
Let me set my mind to it,
Bring my thoughts to a brew.
If I could only take a look,
I'd know just what to do,
So let me think on this,
Just a minute or two.

WHAT IS FRIENDSHIP?

FRIENDSHIP IS SOMETHING EVERYBODY HAS
FOR WITHOUT IT LIFE WOULD BE A SPAZ.
FRIENDSHIP IS HAVING SOMEONE CARE FOR YOU.
FRIENDSHIP IS SOMEONE WHO WILL CHEER YOU UP.
FRIENDSHIP IS TWO COOL DUDES MAKIN' JIVE TALK.
A FRIEND IS SOMEONE WHO WON'T EAT TOO MUCH WHEN HE'S AT YOUR HOUSE.
FRIENDSHIP IS WHEN YOU LIKE SOMEONE A REAL LOT, AND YOU ALWAYS WANT TO PLAY WITH HER.
A FRIEND IS SOMEONE WHO IS ALWAYS THERE.
IF YOU NEED A FRIEND CALL ME.
FRIENDS ARE PEOPLE WHO WON'T TELL ON YOU, AND WON'T BEAT YOU UP A LOT.
FRIENDSHIP IS HAVING SOMEONE TO FIGHT WITH NOW AND THEN,
IF YOUR FRIENDSHIP IS REAL,
YOU'LL ALWAYS MAKE-UP IN THE END.
A FRIEND IS SOMEONE YOU CAN TELL SECRETS TO AND THEY WON'T TELL A LOT OF PEOPLE.
FRIENDS ARE PEOPLE YOU NEED MORE THAN ANYTHING IN THE WHOLE WORLD.

You just call out my name
And you know wherever I
am
I'll come running, to see you
again.
Winter, spring, summer or
fall
All you've got to do is call
And I'll be there
You've got a friend. . .

How to do a Project
1 Read the book
2 Write 6 sentences of information.
3 Make a list of 12 Vocabulary words from the book.
4 Draw a picture.
5 Trace a picture.
6 Write the title and author of the book you used.
7 Make a beautiful cover.

WHEN WE GROW UP WILL I BE PRETTY?
WILL YOU BE BIG AND STRONG?
WILL I WEAR DRESSES THAT SHOW OFF MY KNEES?
WILL YOU WEAR TROUSERS TWICE AS LONG?

WELL, I DON'T CARE IF I'M PRETTY AT ALL
AND I DON'T CARE IF YOU NEVER GET TALL
I LIKE WHAT I LOOK LIKE AND YOU'RE NICE SMALL
WE DON'T HAVE TO CHANGE AT ALL.

WHEN WE GROW UP WILL I BE A LADY?
WILL YOU BE ON THE MOON?
WELL, IT MIGHT BE ALL RIGHT TO DANCE BY ITS LIGHT
BUT I'M GONNA GET UP THERE SOON.

WELL, I DON'T CARE IF I'M PRETTY AT ALL
AND I DON'T CARE IF YOU NEVER GET TALL
I LIKE WHAT I LOOK LIKE AND YOU'RE NICE SMALL
WE DON'T HAVE TO CHANGE AT ALL.

WHEN I GROW UP I'M GOING TO BE HAPPY
AND DO WHAT I LIKE TO DO,
LIKE MAKING NOISE AND MAKING FACES
AND MAKING FRIENDS LIKE YOU.

AND WHEN WE GROW UP DO YOU THINK WE'LL SEE
THAT I'M STILL LIKE YOU
AND YOU'RE STILL LIKE ME?
I MIGHT BE PRETTY—
YOU MIGHT GROW TALL
BUT WE DON'T HAVE TO CHANGE AT ALL.

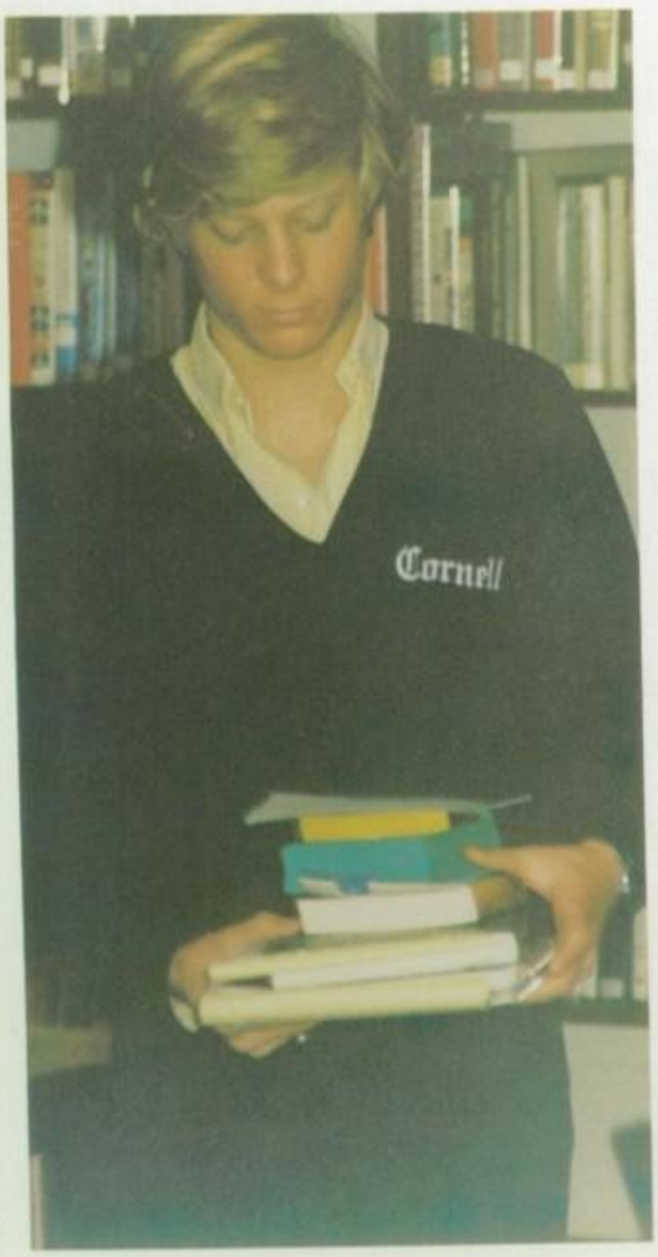
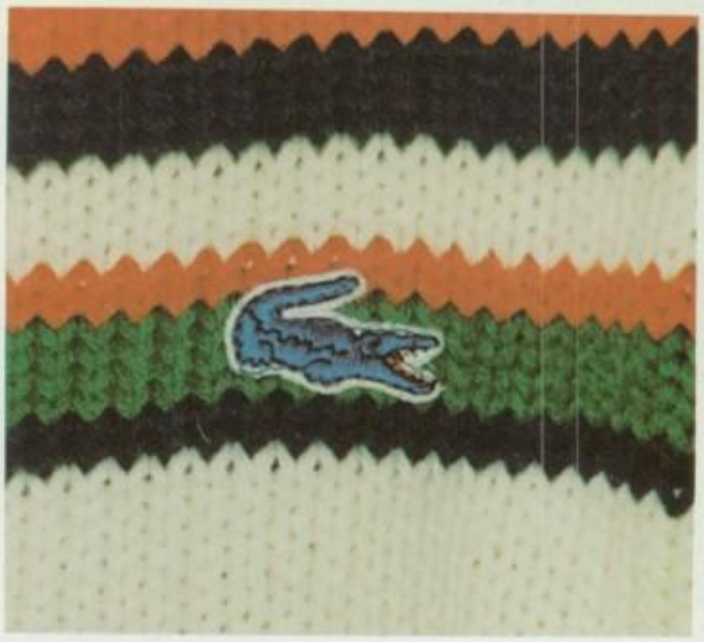
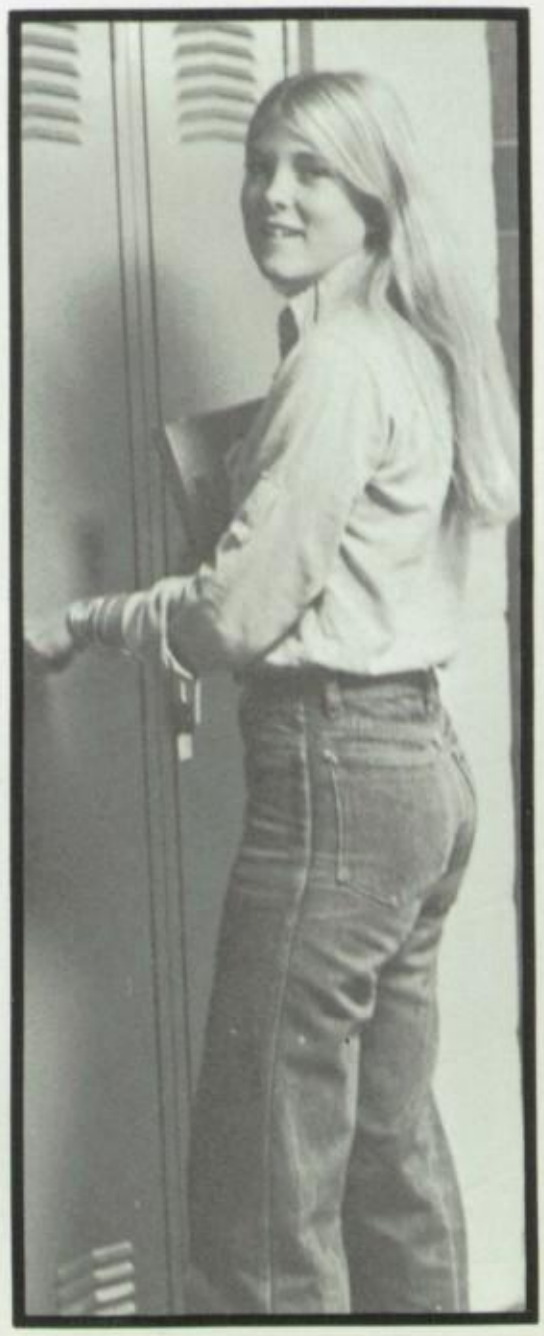
PREPS!







Ain't it funny that the way you feel,
Shows on your face-
And no matter; how you try to hide
It'll state your case-
Now a frown will bring your spirits
Down to the ground
And never let you see,
The good things all around-
Everytime we seem to let our feelings show,
Our luck-Run out and the wind won' blow.

How to cope with the tensions of teaching

Setting: Any classroom U.S.A.
Time: 8:30 A.M.
Teacher: "There was a fight on the school bus?"
"Please sit down John!"
"No I just can't come to the office right now,"
"We'll find your snake in just a minute."
Every school day dosen't start like this, but many do. The pressure starts with the opening bell and frequently continues after the last. You're probably familiar with the most common results of dealing with stress ineffectively- fatigue, irritability and an inability to relax. Eventually you may have to pay some very serious dues, such as hypertension, heart disease, ulcers or insomnia.

RULES OF CONDUCT
FOR TEACHERS (From the Cabell County (W.Va.) Board of Ed. in 1915.)

1) You will not marry during the term of your contract.
2) You are not to keep company with the opposite sex.
3) You must be home between the hours of 8p.m. and 6a.m. unless attending a school function.
4) You may not loiter downtown in ice cream stores.
5) You may not travel beyond the city limits unless you have the permission of the chairman of the board.
6) You may not ride in a car or a carriage with any man other than your father or brother.
7) You may not smoke cigarettes.
8) You may not dress in bright colors.
9) You may under no circumstances dye your hair.
10) Women must wear at least 2 petti coats.
11) To keep the school room clean and neat, you must:
Sweep the floor at least once a day.
Scrub the floor at least once a week, with hot soapy water.
Clean black boards at least once a day, and start the fire at 7a.m. so the room will be warm by 8a.m.

TRIBUTE

Dr. Pierson has been our headmaster for one year and in this short time, he has accomplished a very difficult goal. He has won the respect and admiration of the entire student body.

With a warm heart, a genuine smile and a keen understanding of student problems, Dr. Pierson helps us in every way possible. What more can one ask of one individual in one year? He has already established himself as a devoted leader and a trusted friend.

With these virtues, it is fitting that the 1980 Echo Staff offers this tribute to you, Dr. William Lee Pierson.

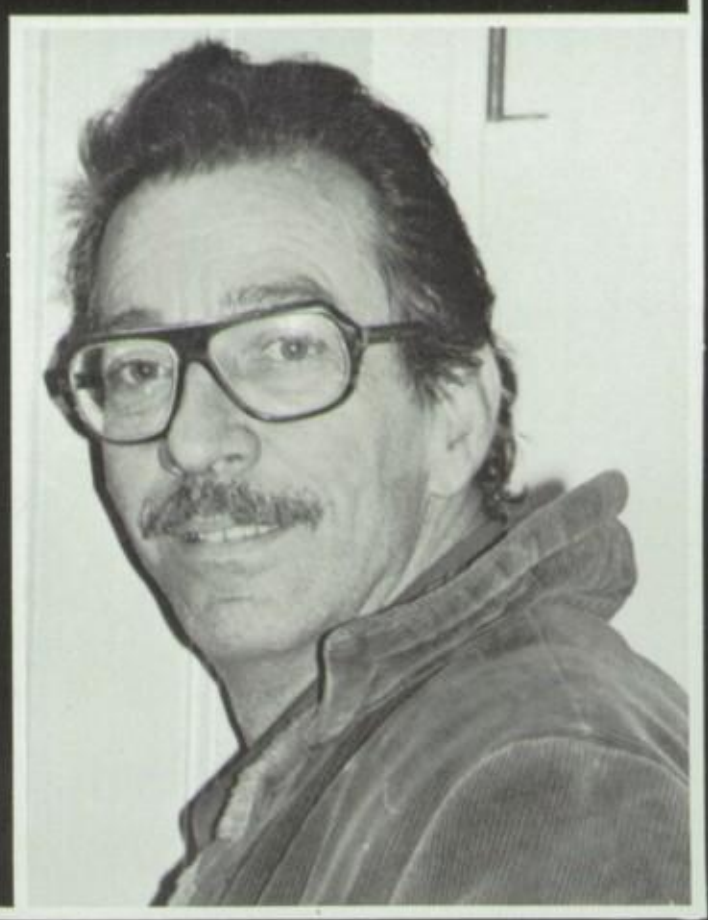
MAN OF THE YEAR

GABRIEL BADIA

Gabriel Badia is our "everything" man; from plumbing to electricity, there is no end to what he can repair. With his "gutsy" humor, Gabe is constantly making us laugh (especially the Spanish One class!) Always smiling, he is everywhere, ready to help us. A trusted friend, he touches our lives with his warmth and humor. Can he do more?

With all this in mind, the 1980 Echo Staff gratefully acknowledges his work and elects him our "Man of the Year." Thank you, Gabe!



WOMAN OF THE YEAR

ROSE ANN SABIA

It is only fitting that our " Woman of the Year" be someone who has dedicated herself to the school. She has enthusiastically welcomed us with our problems, and inevitably, every graduating student will one day approach this woman's desk and ask the question, "Now, what do I do with my applications?" Despite her serious involvment with college admissions, she remains calm and collected amidst the frenzy and hysteria of anxious seniors and parents. Her involvement with the school extends beyond her responsibilities. She participates in student faculty musicals and plays an active role in the A. F. S. chapter.

In sincere appreciation for her dedication, the 1980 Echo Staff elects Rose Ann Sabia our "Woman of the Year."

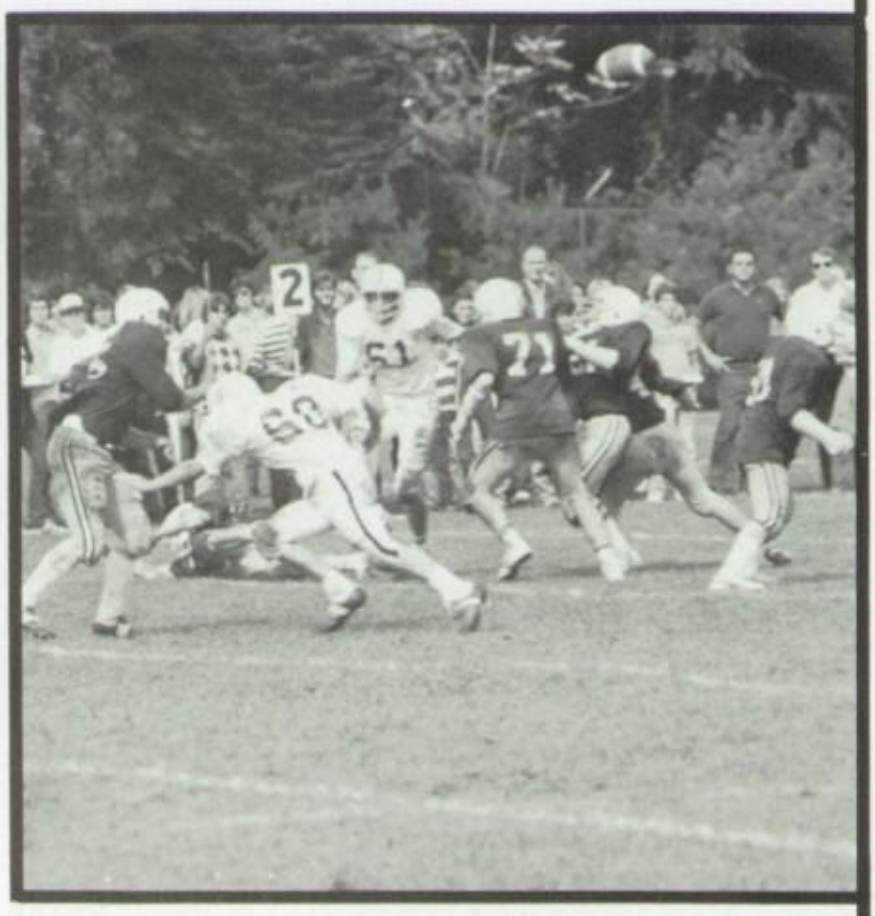
FOOTBALL

The 3 stooges to the rescue!



The '79 Wildcat football team finished with a 4-3-1 record, but more importantly, for the first time ever, we defeated our arch rival Brunswick. After trailing the whole game 6-0, Stan Lee sacked the Brunswich Q.B. causing a fumble which we recovered on our own 25 yard line. With less than 3 minutes to play, senior captain Donald Gries faded back and hit Donald Kyle for a 75 yard T.D. After the 2 point conversion, the 8-6 victory was ours.

My Philosophy of Life: Life is not complicated. Don't worry about life. Really, there are only two things to worry about. Either you will be successful, or you will not be successful. There are only two things to worry about if you're not successful. Either you're healthy or you're not healthy. If you you're not healthy, there are only two things to worry about. Either you will live or you will not live. If you will live, there is nothing to worry about, and if you are going to die, there are only two things to worry about. Either you will go to heaven or hell. If you go to heaven, there is nothing to worry about, and if you go to hell you'll be so busy seeing your old friends, you won't have time to worry.

Is anybody happier because you passed
his way?
Does anyone remember that you spoke
to him today?
The day is almost over, and its toiling
time is through;
Is there anyone to utter now a kindly
word of you?
Is a single heart rejoicing over what
you did or said?
Does the man whose hopes were fading,
now with courage look ahead?
Did you waste the day or lose it? Was
it well or sorely spent?
Did you leave a trail of kindness, or a
scar of discontent?
As you close your eyes in slumber, do
You think that God will say,
"You have earned one more tomorrow
by the work you did today"?

Three prssions, simple but overwhelmingly strong, have governed my life,the longing for love,the search for knowledge,and the unbearable pity,for the suffering of mankind. These three little great winds have blown me hither&thither, in a wayword course. over a deep ocean of anguish,reaching to the very verge of despair.

There we were, hungry and scared,
wishing we never had come.
Homes on our backs, dust in our hair,
cursing the day we'd begun.
"Tell me I ask you," a friend of mine said.
"was it so bad where we were?"
"We didn't have to come here to be dead,
was what we had so unsure?"

Then the quail came,
falling like dew on the ground.
The quail came,
each evening our food to be found.
Taking our curses and turning them round,
filling our ears with those ungrateful sounds,
unworthy to stand,
I bow down.

If I could save time in a bottle,
the first thing that I'd like to do,
Is to save everyday 'till eternity passes away
just to spend them with you

If I could make days last forever
If words could make wishes come true,
I'd save everday like a treasure and then
again, I would spend them with you.

But there never seems to be enough time
To do the things you want to do once you
find them
I've looked around enough to know
That you're the one I want to go through

My God she's got a pink skivvy on & she's wearing make up - what's the school uniform like? "Preppy" - never heard of it! I can't believe that you have classes with all different aged kids in them . . . . . .

How often do you think about your school life - things that are 2nd nature to all of you can be pretty weird in a stranger's eyes. Changing schools, homes-families, friends & countries is quite a big deal - thank God my school - teachers & students alike - helped me get through the problems. Thanx for pulling me through guys, its been the best.
